Aeronautic Officials Meet At Tuskegee

Advertiser-Montgomery
5-10-44

TUSKEGEE INSTITUTE, ALA., May 9.—Dr. George W. Frasier, president of the Colorado State College of Education and educational consultant of the Civil Aeronautics Administration, and James C. Evans, assistant civilian aide to the secretary of war, will act as consultants and speakers for a meeting on educational planning to be held at Tuskegee Institute, May 12, 13.

The meeting was called by Dr. Frederick D. Patterson, president of the institute, for the purpose of formulating plans for the participation of Negro schools and colleges in the many phases of aviation education. It is sponsored by the Division of Aeronautics of Tuskegee Institute under G. L. Washington, general manager. It will be directed by the division's committee on educational planning. Members of the committee are: John H. Young, II, acting chairman; Gertrude N. Anderson, secretary; Austin H. Humbles, Lewis A. Jackson, and George A. Reed.

Members of the advisory committee are: Dr. J. Max Bond, Dr. Irving A. Derbigny and William C. Curtis, all of the faculty of Tuskegee Institute.

Col. Noel F. Parrish, commanding officer of the Tuskegee Army Air Field, will be the principal speaker at a dinner on Friday afternoon.
